Max # of Children Per Instructor

About Us

What is The Recreation Academy?

We are fun experts & youth programming engineers. Our unique curriculum structuring, high expectations and experienced staff are what set us apart as a leader in the after school enrichment, summer camp, and special event coordination spaces.

The programs we design always have three main priorities.

1. Keeping participants safe.
2. Making sure each session is as fun as possible.
3. Helping participants learn and grow.

What makes us different?

At The Recreation Academy, we are dedicated to creating an environment where kids can learn productively and hands-on. Through thought-provoking debriefs after each activity, we aim to foster a life-long love of learning while encouraging the growth of participants' soft skills.

What are soft skills?

Non-technical, interpersonal, and personal attributes that enable individuals to interact effectively with others and succeed in various aspects of life. They include communication, teamwork, problem-solving, adaptability, empathy, and many others.

Our programs help improve these skills by creating a structured and engaging environment where children can practice and develop their abilities while having fun. Through activities and games, participants learn how to communicate effectively with peers, collaborate in teams, adapt to different situations, show empathy, and value others' perspectives. By providing opportunities for real-life application, our programs enable children to strengthen these skills and carry them into their daily lives.

What is debriefing?

A process of reflection and discussion that occurs during and after an activity or experience. It involves participants sharing their thoughts, feelings, and observations about what happened and how they feel we could improve things moving forward.

Our Approach

At The Recreation Academy, we believe in creating enriching experiences that foster a life-long love of learning and play. Our programs are designed to be engaging, educational, and fun, ensuring that every child has the opportunity to grow while participating.

Instructor Facilitation Plans and Daily Summaries

Our instructors create facilitation plans, using the curriculums we provide, and submit them for approval to ensure quality and alignment with our goals. They also send daily session summaries to our operations supervisor to monitor progress and continuously work towards improving our programs.

Setting Expectations

At the start of every program, we set clear expectations by frontloading with a rules talk or recap of what we did last session. This helps create a safe and respectful environment where everyone knows what to expect and how to behave. By establishing these guidelines, we ensure that all participants can enjoy their time and get the most out of each activity.

Hands-On Learning

We emphasize hands-on learning through a variety of activities that encourage creativity, critical thinking, and teamwork. Whether it's through our sports clinics, STEM-based programs, or special events, we aim to provide an environment where kids can explore and discover their passions.

Thought-Provoking Debriefs

After each activity, Rec Academy staff conduct thought-provoking debriefs to help participants reflect on their experiences. During these debriefs, we highlight actions taken or that could have been taken by everyone involved. This practice not only reinforces the skills they've learned but also promotes the development of soft skills such as communication, problem-solving, and leadership. By discussing specific actions, we help participants understand the impact of their choices and behaviors. This reflective process encourages them to think critically about how they can improve and work together more effectively. We offer an opportunity for everyone to enhance the experience by collaborating to overcome challenges and strengthen their teamwork. Our staff are trained to use guiding questions that help participants delve deeper into their reflections and gain valuable insights.

Frequently Asked Questions

Mission Statement:

Dedicated to exceptional programs, we aim to impress and equip participants with skills for life. Every experience is a chance to learn and grow, and we strive to instill this mindset in our Cadets.

What do you do?

We specialize in facilitating amazing youth programs that help participants develop soft skills through fun and games. This includes staffing each program, providing necessary equipment, creating marketing materials, communicating with parents, and we're also able to build a registration portal, to accept customer payments, if needed.

Do you train & background check your staff?

Yes, and yes! We only hire individuals that have pre-existing experience working with youth and background checks are required for all of our new staff. In addition to this we provide instructors with a strong management team support system, pre-season training, exceptionally competitive compensation starting at \$18 - \$20 / HR and an employee portal full of many different resources aimed at improving facilitation skills.

Does your organization have insurance?

Absolutely. The Recreation Academy LLC is fully insured. Upon request we're happy to send a copy of our coverage or add your organization as an additionally insured party.

Who else have you worked with?

We've worked with a wide variety of organizations: School Districts, Private Schools, Community Centers, Park Districts, Private Gyms / Clubs, and the list goes on. Check out our social media and website to learn more about current partner locations. We can't wait to welcome you to our community. Reach out today!

\$30 per child

6 Child Minimum

30 Child Max

Important Notes

- Please keep in mind that you're responsible for providing us with an adequate space to facilitate any special event program. If you don't have a space ask us for a recommendation.
- Anyone participating in foam tipped archery should be 8+ years old. Participants must be able to pull back 24 - 28lbs of force when shooting.
- We only facilitate programs for participants that are 5+ years old, no exceptions.
- Registrations must be taken in age appropriate groupings of no more than 3 years age difference unless otherwise approved by Rec Academy admin staff.

3 Hour Sessions

Host A Rec Academy Lock-In (Ages 10+)

Unleash your inner party animal with a late-night lock in program! This session includes the same great activities as a Kid's Night Out but is held late at night, with a start time typically after 7pm and ending as late as 1am.

*This program features music, blacklights, flashing lights, and glow items for participants. A Rec Academy staff member will lead activities but you must have staff to supervise otherwise, 1 for every 15.

\$45 per child

10 Child Minimum

50 Child Max

Already planning your own event with a larger group? Check out our Mobile Field Trip Packages!

Private Parties

Want us to build something unique for your event? No problem! Our private party packages are perfect for any occasion. Check out our hourly rates and the activities that are available below. Let us help make your next event memorable.

Have questions or concerns? Reach out to us at TheRecAcademy@gmail.com

Activity Options:

- Gaga Ball In Our Giant Inflatable Pit
- Foam Tipped Archery
- 9-Square In The Air
- Dodgeball
- Kickball
- Flag Tag

Pricing: (Includes 1 Staff Member to facilitate)

1 Hour, up to 20 participants and 1 activity = **\$275**

2 Hours, up to 20 participants and 2 activities = **\$375**

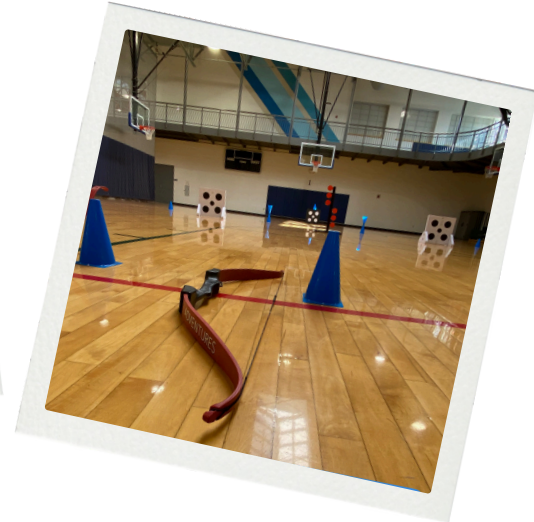

3 Hours, up to 20 participants and 3 activities = **\$475**

Important Notes

- Please keep in mind that you're responsible for providing us with an adequate space to facilitate any special event program. If you don't have a space ask us for a recommendation.
- Our staff will set up and lead each activity using our own equipment.
- Anyone participating in foam tipped archery should be 7+ years old. Participants must be able to pull back 24 - 28lbs of force when shooting.
- We only facilitate programs for participants that are 5+ years old, no exceptions.
- Have more than 20 participants? Reach out to us with more info for a custom quote!

Mobile Field Trips

Bring our awesome activities to your School, Rec Center, Church, or Private Club

Let us bring the fun to you! Our Mobile Field Trips are the perfect way to eliminate the hassle of entertaining your group. During your session our staff will set up, explain games to participants and staff, and bring great energy. We can comfortably accommodate 20-40 kids per activity. For groups above 60 participants we suggest setting up multiple activity stations and breaking your session into several 30- or 60-minute time slots for each group.

Important Notes

- Please keep in mind that you're responsible for providing us with an adequate space to facilitate any special event program. We will also need 15-20 minutes to set up.
- Anyone participating in foam tipped archery should be 8+ years old. Participants must be able to pull back 24 - 28lbs of force when shooting.
- We only facilitate programs for participants that are 5+ years old, no exceptions.
- You are expected to provide adult game monitors for each station. Our team member will explain each game to all of your monitors and will float between activities to help unless archery is being facilitated, in which case they will always monitor this activity and your adults will assist.

Event Activity Options

- **Giant Inflatable Gaga Ball Pit** (Can hold 20 - 30 people.)
- **Foam Tipped Archery**
(10 Bows, 4 Targets, 3 - 4 Arrows per person, per round.)
- **9-Square In The Air** (Can hold 15 - 20 people.)
- **Flag or (Pool) Noodle Tag** (Any size groups.)
- **Tug of War!** (20 - 40 people can play at the same time.)

Cost: Includes 1 staff member.

1 Hour + 1 or 2 Activity Stations = \$375.00

2 Hours + 2 or 3 Activity Stations = \$650.00

3 Hours + 3 or 4 Activity Stations = \$850.00

Each Additional Hour = +\$175.00

Extra Rec Academy staff are available for an added hourly charge of \$50.00 each.
