

BEFORE & AFTER SCHOOL, AT YOUR SCHOOL

The best part of the school day happens after the bell.

Safe, structured care at your students' own school — with homework time, real enrichment clubs, and sports clinics included. No screens. No sitting around. **Fair family pricing. Revenue for your school.**

**\$0**

Cost to your district

\$25–\$45

Per child / month to your school*

8

Clubs & clinics a year, included

AN AFTERNOON IN CADET CARE

From the last bell to pickup.

DISMISSAL

1**Check-in & fuel up**

Attendance, a snack, and time to decompress.

+30 MIN

2**Homework time**

A quiet, supervised block to get started.

+1 HR

3**Enrichment rotation**

Drones, archery, domino builds, or a sports clinic.

+2 HRS

4**Debrief & team games**

Talk through what worked, then team games.

UNTIL 6:00

5**Secure pickup**

Only to authorized adults, logged.

Hours: Before school typically 7:30–9:00am (check-in, free play, a structured activity, walk to class). After school dismissal–6:00pm. Families choose 1–5 days a week, mornings, afternoons, or both. Ages 5–14, grouped by age. Schedules flex to each school's bell times.

INCLUDED, NOT UPSOLD

8 enrichment adventures a year. Zero extra cost.

Two clubs or clinics per 6-week session, four sessions a year — included for families enrolled 4–5 days a week and discounted for everyone else. Kids choose what they do.

**STEM Based**

Drone racing, RC racing, chess, trading cards, comic creation, and domino engineering.

**Phys-Ed**

Dodgeball, kickball, foam-tipped archery, 9-square, ga ga ball, and Challenge Games.

**Sports Clinics**

Basketball, flag football, and backyard baseball with real instruction and game-speed reps.

THE SAFETY SHIELD

- **FBI fingerprinted**
Background checks for every staff member
- **Education majors**
Recruited through local universities
- **Experienced site lead**
One professional in charge at every school
- **1:15 ratios**
CPR & First Aid certified staff

SCHOOL BREAKS & DAYS OFF

School's out. We're not.

Full-day camps on teacher PD days, conference days, and winter & spring break — right at your school, with the same coaches.

- **Pay by the session** — families only pay for the coverage they need (a separate, additional charge).
- **Full-day coverage** with drop-off and pickup windows around a workday.
- **Money back to your school** — the same revenue share applies.

FOR PRINCIPALS & DISTRICTS

\$25–\$45 per child, per month for your school.

Fair pricing for families. No cost to your school. We run the program and handle enrollment and billing, while your school earns revenue from the space it provides. Break-day camps are billed separately to families, and your share applies to those too — no extra coordination from your staff.

Clear financial terms

Tuition and your share are listed in your proposal, including break-day camps.

Built around your building

Hours and space planned around your bell schedule.

One point of contact

A local Recreation Academy contact — the principal has a direct line.

\$17.50/hr + credit

Many staff earn university credit, so they show up invested.

ZERO RED TAPE FOR YOUR DISTRICT

State licensing shouldn't slow your school down.

Every before & after school program must be licensed by the state — most providers hand that burden to you. We don't. We handle filings, inspections, and follow-ups, and work directly with licensing offices in **Missouri, Kansas, Tennessee, and Oregon**. Approval typically takes **60–90 days** — your families never wait that long.

01 We file the paperwork

Applications, inspections, and follow-ups handled by our team — not yours.

02 Enrichment starts day one

While the license processes, clubs and clinics launch on campus right away.

03 Full care goes live

Licensed before & after care opens with zero lost momentum for families.

BUILT TO FIX WHAT PARENTS COMPLAIN ABOUT

Three industry problems. Three straight answers.

Staff quality & turnover

The problem: Corporate providers pay minimum wage and churn staff.

Our answer: We pay fairly, recruit people already in youth programs, and love hiring teachers from your own school to lead the site.

Enrichment costs extra

The problem: Others upsell enrichment on top of tuition.

Our answer: Enrichment is included — and kids choose what they do. Giving youth a real voice is immeasurably powerful.

Glorified babysitting

The problem: "SEL" often means supervised free time with a fancy label.

Our answer: Our staff complete facilitation training — they actively lead experiences and keep kids safe.

EVERY WEEK, A TEACHING CYCLE

- 1 Plan** Staff submit a lesson plan for the week they lead.
- 2 Facilitate** They run it on their feet — no phone-sitting.
- 3 Debrief** Kids reflect on what worked and how to improve.
- 4 Grow** Social skills build through real participation.

QUICK ANSWERS

Pricing? Per-day with multi-day discounts; more days = more enrichment included.

Fewer than 5 days? Yes — 1–5 days, mornings, afternoons, or both.

Who handles billing? We do. Your office never touches enrollment or payments.

How do we start? Send bell times, space, and expected enrollment — we build the proposal.
